

HIGH SCHOOL GROW WILD BOOTCAMP

ATTENTION: HIGH SCHOOL ENVIRONMENTAL CLUBS AND LEADERSHIP PROGRAMS

Looking for ways to involve your environmental club in local environmental issues?

Interested in gaining some tools to help your students make and lead change?

Then sign up to 'get in shape' through our *Grow Wild! Bootcamp*

Through our one day bootcamp, students will be introduced to the environmental issues facing their local area and given the tools and assisted to "growing" their own campaigns to make a difference in their own school or community.

- Full day of hands-on sessions including live animal presentations
- Take home bag of resources for each student
- Tools to get active in your school and community

Location: We come to you! We just need you to provide the workshop space.

Cost: \$15/ student, minimum of 20 students per workshop
